

Bernhard Meyer is a specialist in auditing. He had worked at PwC in Munich since 2006 and moved to Bolzano in 2010 to work at Baker Tilly Revisa. He has been head of the Baker Tilly Revisa South Tyrolean Film Fund audit team since the very beginning of the regulated film fund in 2010/2011.

He graduated his studies in Industrial Engineering with a German-French double degree at the University of Karlsruhe and the Grenoble INP, concluding with a Ph.D. at the University of Göttingen, Germany, in the field of corporate finance.

His film fund activities at Baker Tilly Revisa are focused on the audit of budgeting, cost reporting and financing of films.

Besides his activities in the field of film funding, he is a specialist at Baker Tilly Revisa in auditing, accounting, consolidation, enterprise valuations, and financial due diligences.
